

Washington (D.C.)

Washington eng. Washington D.C. the city is the capital of the United States of America. The official name of the district of Columbia is a separate territory not part of any one of the States. The city was founded in 1791 and named after George Washington the first American President. 1871 Washington, along with Georgetown and other areas United in D.C. eng. District of Columbia abbreviated as D. C. whose boundaries coincide with the city so the Americans not to confuse the city with the same state in the North-West of the country, colloquially usually called the city D. C or Washington DC. The city is located on the North Bank of the Potomac river bordering Virginia to the southwest and Maryland on all other sides. The permanent population of the city is 601 723 people¹ due to the arrival of commuters during the working week it is increased to one million. The population of the Washington Metropolitan area].Russian. which is part of the city is 54 million people according to this indicator, the agglomeration ranks eighth in стране². In Washington there are the main offices of all three branches of the Federal government including the residence of the US President in the White house and many monuments and museums of national importance. There are 174 Embassy and the headquarters of the world Bank, the International monetary Fund, Organization of American States inter-American development Bank pan American health organization eng.industry. Washington manages the municipal Council of 13 members headed by the mayor. However, the U.S. Congress has Supreme authority over the city and can cancel the laws adopted by the Council. Therefore, residents of the city have fewer rights to self-governance than residents of the States. The County has a non-voting delegate in the House of representatives of the us Congress but not their representatives in the Senate. Prior to the ratification of the twenty-third amendment to the U.S. Constitution in 1961, residents of the district also had the right to vote in the presidential election].industry. The city's motto is the Latin. Justitia Omnibus English. Justice for All Justice for all. According to the archaeological data about the rivers Anacostia eng.Russian. at least as early as 4,000 years ago there lived the indigenous американцы³. The Europeans explored this area from the beginning of the XVII century one of the first was captain John Смит⁴⁵. On the site of the present city of Washington was home to several settlements and villages. The first colonial landowners in the territory of Columbia were George Thompson and Thomas Gerrard in 1662 was granted the land around Capitol hill and other areas down to the Potomac river. Thompson had sold his land at the Capitol hill in
