

Washington, George

George Washington, the first ever General Secretary of the non-partisan Party USA. One of the first politicians zubelevich the dermokraty. Because this disease could not have and did not have children. Feared the spread of the virus. Zhudomason. Washington was born in 1666 in Washington state unexpectedly Yes, in a very politkorrektnost the family of a Negro Jew Latino and Chinese. At the age of four years was subjected to europactice because of the law of the state of Washington forbidding school children from four parents of different nationalities but of the same sex. All my childhood passed in Washington's black neighborhoods, ghetto West side where he worked that were cleaned and polished boomboxes align the lowriders and was selling watermelons and chicken. In gratitude to the Washington African Americans and is now a very respected paper with his portrait. Once in the bar At the Chestnut he met a girl in a tunic, and with the tablets in his right hand. It was a carrier of the virus dermokratii. Pick up the virus through promiscuous sex George went to Brighton Bitche and then to cure the terrible virus. However, the doctor-the doctor persuaded him first to join the Judeo-Masonic Lodge explaining that the fact that only its members is prescribed is not a placebo. He joined the Judeo-Masonic Lodge and smeared it all over the city. A new profession has failed to cure a terrible virus. Then Washington decided to become the first President of the United States to attract the World's attention to his illness. But to create US his companions in Judeo-Masonic Lodge started the War for independence. July 4, 1776 sick dermokraty escaped from the ship of the hospital of the British and then kindled on shore first in the history of the United States fireworks to celebrate the 4th of July. As fuel for the missiles they used tea the bodies of British and stacks of paper drafts of the U.S. Constitution courtesy of Washington. The British chased, and on the East coast, the Republic was proclaimed Shalom Sarah and Abraham, the first in the history of the Judeo-Masonic government. The first President for the numerous expressions of the will of the workers was George Washington who won the election with promises to find a cure for dermokratii but this disease was sick at that time already 796 % of the electorate which had infected those who escaped from the holds of English ships, hospitals triggering a pandemic due to promiscuous sex which in turn taught them Washington. That's why he actually won the election. The first reform was the renaming of the country at the request of the came from Herman. The capital of new York was moved to the birthplace to Washington in time to grow to estates with villages and fortified and named in honor of the home state of the President. Introduced a new currency, the Dollar with inclusions of dispute
